

Enliven Therapeutics Announces Details Regarding the Presentation of Updated ELVN-001 Phase 1a Data at the ESH-iCMLf 26th Annual John Goldman Conference on CML

September 18, 2024

BOULDER, Colo., Sept. 18, 2024 (GLOBE NEWSWIRE) -- Enliven Therapeutics, Inc. (Enliven or the Company) (Nasdaq: ELVN), a clinical-stage precision oncology company focused on the discovery and development of next-generation small molecule kinase inhibitors, today announced details for the updated ELVN-001 Phase 1a data, which was selected for an oral presentation at the upcoming European Society of Hematology International Chronic Myeloid Leukemia Foundation (ESH-iCMLf) 26th Annual John Goldman Conference taking place September 27-29 in Prague, Czech Republic.

ELVN-001 is a potent, highly selective, potentially best-in-class small molecule kinase inhibitor designed to specifically target the BCR-ABL gene fusion, the oncogenic driver for patients with chronic myeloid leukemia (CML).

Details of the oral presentation are as follows:

Title: Preliminary safety and efficacy of ELVN-001, a selective active site inhibitor of BCR::ABL1 in CML

Presenter: Fabian Lang, MD, Goethe University Hospital

Session: Scientific Session 5: New drugs and combinations

Session Date/Time: Saturday, September 28, 2024, 3:00 - 4:20 p.m. CEST

Presentation Time: 3:35 - 3:50 p.m. CEST / 9:35 - 9:50 a.m. ET

A copy of the presentation will be available by visiting the "[Program Presentations & Publications](#)" section of the Company's website at www.enliventherapeutics.com.

About Enliven Therapeutics

Enliven is a clinical-stage biopharmaceutical company focused on the discovery and development of small molecule inhibitors to help people with cancer not only live longer, but live better. Enliven aims to address existing and emerging unmet needs with a precision oncology approach that improves survival and enhances overall well-being. Enliven's discovery process combines deep insights in clinically validated biological targets and differentiated chemistry to design potentially first-in-class or best-in-class therapies. Enliven is based in Boulder, Colorado.
